

Hello Loyola Families,

We hope this letter finds you enjoying the mild winter and 2012.

We have had numerous inquiries from individuals concerned about Mrs. Kathi Cliff and also questions regarding another fundraising event for her and her family.

After much contemplation and prayer with Kathi and George we have decided not to plan any other events. Kathi and George are overwhelmed and greatly humbled by the continued outpouring of love and support for their journey through this very difficult cancer diagnosis.

You may at any time visit her caring bridge website and leave a brief note or you may drop a card in the mail. Your continued thoughts and prayers are a great comfort to her.

The "I Think I Can" committee will be sending a valentine greeting to Kathi and we ask for your help. **All K-3 students may be out of uniform on Monday February 13<sup>th</sup> for a group photo and valentine greeting that we will send to Kathi on Valentine's Day.** We ask that all students **dress in purple** attire for the day.

Please show your support for Mrs. Cliff by wearing her favorite color on February 13<sup>th</sup>!  
Thank you!

Amy Palu Pacheco Bloch
