

Rule No. 9

**DON'T BLOW
BUBBLES IN
YOUR MILK.**

BREAKING RULES & STARTING REBELLIONS:

EVERYDAY STRATEGIES FOR
OVERTHROWING ADULTITIS

Did you know that there are countless rules you're dutifully following every single day...that don't actually exist? Even worse, they're stressing you out, sapping your energy, filling your life with fear and keeping you from living your best life – the life God is calling you to. Jason Kotecki, Catholic artist, author, and speaker, will help you shed light on some of these surprising rules, and give you the tools you need for instigating what he calls small rebellions. Discover what small but mighty actions you can take today to turn your life into the fun, faith-filled adventurous and exciting story God has planned.
